

UNMC Munroe Meyer Institute's Department of Pediatric Psychology Presents:

Autism Training Series

The Nebraska Parent Training Workshop is an intensive 10-week workshop series designed to educate, provide training and offer support to parents or caregivers of children with an Autism Spectrum Disorder.

Workshops will be held at St. Ann's Parish Center located at 1003 Taft Street in Lexington each Monday from 6:00 pm – 7:30 pm.

Training topics will include:

- 2/2/09 - Introduction to Autism Spectrum Disorders
- 2/9/09 - Treatment Approaches: Introduction to Evidenced Based Practices
- 2/16/09- Components of Effective Treatment Programs
- 2/23/09 - Reinforcement
- 3/2/09 - Discrete Trial Training
- 3/9/09 - Managing Problem Behaviors
- 3/16/09 - Teaching in the Natural Environment
- 3/23/09 – Social Skill Instruction
- 3/30/09 - Working with Professionals & Accessing Additional Services
- 4/6/09 – TBA (based upon interests of the group)

The workshop is open to parents, caregivers and professionals interested in receiving information on selected training topics. There is NO fee to participate in the workshop.

Child care will be provided by volunteers and directed by a staff with experience working and interacting with children with autism.

In order to attend, participants must register by emailing nebraskaparenttraining@yahoo.com. Please provide name, a phone number, and number of children needing daycare services. Due to limited availability, childcare will be available only to those who pre-register.

Please note that this training series will be offered in North Platte Nebraska in the spring of 2009. If e-mail is not available, please contact Torri Smith Tejral at 308-324-6386 ext 431
