

Get Hooked on Fishing 2010

For Children, Teens & Adults with disabilities and
their family members

**Sunday June 13,
2010
10:00 am - 2:00 pm**

Members of the Husker Bass Club will host a day of fishing at a private well stocked lake in a park like setting located just outside of Omaha. They will provide a fishing helper for each person with special needs, fishing equipment and lunch for everyone. Lunch will be provided under a shaded outdoor pavilion and will be hotdogs, macaroni & potato salad and ice cream.

We will practice catch and release so bring your camera's to record the BIG FISH— don't forget sunscreen and folding chairs to relax in while you fish by the lake.

Reservations for this event are required and limited. A map of the location will be provided to you upon registration. When entering the location please drive carefully as this lake site is home to various wildlife like peacocks & swans which roam the property.

**For questions contact Annie
at
aanderson@olliewebbinc.org
or by calling 346-5220 Ext. 23**

PRIZES

Each person with special needs will receive some kind of a trophy, certificate, baseball cap or t-shirt for participating in this event.

**This is an annual event
sponsored by
Husker Bass Club
and
The Ollie Webb Center**

Ollie Webb
CENTER, INC.

To Make your Reservation— Log onto www.olliewebbinc.org.

Click on the words "Click here to register for Hooked on Fishing."
Follow the directions (you must list how many people are attending so put a # in the appropriate box and give one e-mail address). In the comment box let us know how many people will be fishing and how many will be eating lunch. This is a family event so you must have an adult present for children, teens and adults with special needs. If you do not have internet access, please call Annie Anderson or Lisa Dougherty to make your reservations. **Make your reservation by Friday June 4th-reservations are limited and available slots may go quickly.**
