

Multi Sensory Saturday

Starting **Black Friday** November 26th and 27th

For your shopping convenience

Come Move and Play on
Multi Sensory Saturday

Drop your kids off for a fun time of sensory activities; speech and language development; auditory, visual and tactile input; and gross motor activities and socialization.

Theraplayce provides some of the highest quality services in the area. Our kids' progress is due to the variety of treatment modalities and equipment we use. Sensory integration, myofacial release, therapeutic listening, aquatic activities and traditional land based interventions are all incorporated to each child's individualized plan of care.

We are excited to add yet another way to help enhance your child's life!

Multi Sensory Saturday is for special needs children ages 3 to 12. All activities will be directed by a Certified Speech Language Pathologist, Occupational Therapist, and Physical Therapist.

Activities your child will participate in during **Multi Sensory Saturday** are therapeutic and provide input to help your child enhance their lives.

During this **special** Friday and Saturday session your child is welcome to come and play with peers anytime throughout the day between 8am and 4pm. Please bring your child snacks and lunch appropriate for the time they are there. Please keep in mind that some children have a severe peanut allergy so if you can please avoid these types of foods.

Black Friday Special is ONLY \$8.00/hour!!

(Payment is due when you return to pick up your child.)

Conveniently located near Village Point and minutes away from many stores for your Black Friday fun.
