# PLAY Miracle League

~ Omaha ~

ALLPLAY Miracle League (ML) baseball for children with disabilities believes:

**“ Every child deserves the chance to play baseball ! ”**

### **In ALLPLAY Miracle League baseball:**

- Every player bats once each inning;
- All players are safe on the bases;
- All players get team uniforms;
- Every player scores a run before the inning is over (last one up gets a home run!);
- Community children, volunteers, and family members are 'buddies' to assist the players;
- Each team and each player wins every game!

The thrill of playing, the cheers from the stands, and friendships developed make the ALLPLAY Miracle League an oasis away from their everyday battles. Miracle League parents tell stories of their children insisting on playing despite bouts with illness, kidney stones, broken bones, and recent hospitalizations.

Athlete's disabilities may include: autism; cerebral palsy; spina bifida; visual impairments; muscular dystrophy; dwarfism; multiple sclerosis; spinal cord injury; down syndrome, amputations, and other physical and mental disabilities.

Presently there are 200 Miracle League organizations across the country, 100 completed rubberized fields (including ALLPLAY's), and 100 fields under construction. The Miracle League is proud to serve over 80,000 children and young adults with disabilities.
