

# Sibshops at Ollie Webb

~~~~~Award Winning Program For Sibs~~~~~

Sibshops are lively pedal-to-the-metal celebrations of the many contributions made by brothers and sisters of kids with disabilities. Sibshops acknowledge that bring a sibling is for some a good thing, for others a not so good thing, and for many somewhere in between. Sibshops provide peer support and while it is not therapy the effect may be therapeutic for many of the children who attend. The goals of a Sibshop workshop are:

- Opportunities to meet other siblings in a relaxed setting
- A place to discuss common joys and concerns
- Education on how to handle situations commonly experienced by sibs that revolve around their siblings with special needs.
- Fun activities, speakers, games and food
