What is People First Jr.?

People First Jr. is a self advocacy group for youth between the ages of 12-16 who experience a developmental disability. People First Jr. will explore volunteer and learning opportunities around Lincoln as well as help them develop skills needed to transition into the adult world.

What is Family Connections?

Family Connections is a program for families to link with professionals in a casual atmosphere to gain knowledge on a variety of topics. Free respite/childcare is provided for individuals with or without disabilities. Reservations are required for respite services so that we are sure to accommodate everyone attending.
