

## Campout With Us at the Henry Doorly Zoo

Campout at the Henry Doorly Zoo April 14 at 6pm. We will stay overnight in the NEW aquarium conference center and have a short night tour of the zoo. You will be able to enjoy the zoo the following day after donuts and juice. The cost of the overnight stay is \$30 per person. Space is limited so register today!

A rep from the zoo can let anyone out at any time in the middle of the night if anyone needs to leave. Also the overnight at the zoo includes going thru the zoo the following day on Sunday but if anyone would like to leave and come back, stamped in order to return to the zoo. Also we've arranged for everyone to go on a short night tour of the zoo! Our guide said that everyone must go on the night tour as they can't leave anyone behind in the aquarium conference room but if you'd like to bring a wagon for your child, that's fine. After the hike, you'll show a movie in the conference center. Everyone is welcome to bring their own snacks or sensory items that might help (except the small bouncy balls or toys - in case it would get lost and an animal would find it). Here are some suggestions from the zoo as well on what to bring:

- Sleeping bag, pillow, air mattress or cot (optional)
- Minimal personal gear (toothbrush, toothpaste, brush, etc.)
- Flashlight (optional)
- Weather appropriate clothing, good shoes for hiking
- Snacks and a DVD to watch after night hike
- Alcohol is NOT allowed on zoo grounds.
- The Zoo is a tobacco-free facility. Smoking is NOT allowed on zoo grounds (no exceptions).
